

**DIRECTIONS from EDINBURGH TO LOCH NESS SHORES**

**(PLEASE DO NOT FOLLOW SAT NAV)**

Approaching from south from Edinburgh join the M90 to Perth

At Perth follow the signs for the A9 until you get to the outskirts of Inverness

Take the first slip road for Culduthel, Hilton & (Raigmore) Hospital.

Continue straight on the B8082 (Sir Walter Scott Drive) through 8 roundabouts

At the 9<sup>th</sup> roundabout (which has a Loch Ness Monster on it) turn left on to the B862 to Dores

At Dores bear right on to the B852 to Foyers, which takes you through Inverfarigag to Foyers.

Once you have passed a large white building (it used to be called Foyers Lodge/Hotel) on your right, take the next right signposted to Lower Foyers (behind the NO ENTRY sign) and follow Camping and Caravanning Club (small) signs down to the loch side.

This takes you down to a metal (Bailey) bridge, immediately after you cross the bridge turn right to Loch Ness Shores. (Please note if you use the postcode to access the site, which is not recommended, (it knows where we are but doesn't bring you on the best route from caravans and motorhomes) it will also try to turn you left, ignore it.)
